2   After line 21, insert:

3           "Sec. 2. Section 41-3507, Arizona Revised Statutes, is amended to  
4   read:

5           41-3507. Statewide information security and privacy office;  
6                       duties: suspension of budget unit's information  
7                       infrastructure

8           A. The statewide information security and privacy office is  
9   established in the government information technology agency. The statewide  
10   information security and privacy office shall serve as the strategic  
11   planning, facilitation and coordination office for information technology  
12   security in this state. Individual budget units shall continue to maintain  
13   operational responsibility for information technology security.

14          B. The director shall appoint a statewide chief information security  
15   officer to manage the statewide information security and privacy office. The  
16   statewide chief information security officer shall report to the director  
17   pursuant to section 41-3503.

18          C. The statewide information security and privacy office shall  
19   develop, implement, maintain and ensure compliance by each budget unit with a  
20   coordinated statewide assurance plan for information security and privacy.  
21   The statewide information security and privacy office shall:

22           1. Direct information security and privacy protection compliance  
23   reviews with each budget unit to ensure compliance with standards and  
24   effectiveness of security assurance plans as necessary.

25           2. Identify information security and privacy protection risks in each  
26   budget unit and direct agencies to adopt risk mitigation strategies, methods  
27   and procedures to lessen these risks.

1           3. Monitor and report compliance of each budget unit with state  
2 information security and privacy protection policies, standards and  
3 procedures.

4           4. Coordinate statewide information security and privacy protection  
5 awareness and training programs.

6           5. Develop other strategies as necessary to protect this state's  
7 information technology infrastructure and the data that is stored on or  
8 transmitted by such infrastructure.

9           D. The statewide information security and privacy office may  
10 temporarily suspend operation of information infrastructure that is owned,  
11 leased, outsourced or shared in order to isolate the source of, or stop the  
12 spread of, an information security breach or other similar incident. A  
13 budget unit shall comply with directives to temporarily discontinue or  
14 suspend operations of information infrastructure.

15           E. THIS SECTION DOES NOT ALLOW ANY EMPLOYEE OF THE STATEWIDE  
16 INFORMATION SECURITY AND PRIVACY OFFICE TO HAVE DIRECT ACCESS TO ANY OF THE  
17 BANKING OR INVESTMENT SYSTEMS OF THE STATE TREASURER'S OFFICE.

18           ~~E.~~ F. Each budget unit and its contractors shall identify and report  
19 security incidents to the statewide information security and privacy office  
20 immediately on discovery and deploy mitigation strategies as directed."
